Dear Year 9 Students & Parents/Carers

Careers Information, Advice, Guidance & Support

For those of you that I have not had the pleasure to meet yet, I am Natalie Gray, Westfield Academy's Careers & Futures Coordinator. I only started at Westfield in November but I am quickly getting to meet the students.

As a Careers Advisor, I work with the students at Westfield Academy to identify their plans and to steer them towards a successful progression route post 16. If students would like any information, advice or support in choosing their Year 9 options, please contact me using the details below.

In the meantime, here are a few useful websites giving some good hints and tips on successfully choosing options:

Studential - <https://www.studential.com/GCSEs/choosing-your-GCSE-subject-options>

Yours faithfully
